Guji Lorenzana will be playing the role of Warner in Atlantis Productions' staging of *Legally Blonde, the Musical*. Based on the hit movie starring Reese Witherspoon, *Legally Blonde, the Musical* will take you from the social whirl of California campus life to Harvard's Halls of Justice with a bright, new heroine named Elle Woods (and of course, her Chihuahua, Bruiser). Directed by Chari Arespacochaga, *Legally Blonde, the Musical* runs from June 25 to July 18 at the Meralco Theatre.

Get to know more about Guji in the interview below:

1. If you were to change one part of your body what would it be?

I would change nothing, because God made me this way. *Ha-ha*, but maybe better dancing feet.

2. What other talent would you like to have aside from music and why?

I'd like to have a photographic memory, because I'd like to be able to help explain in as much detail all the beautiful things I've witnessed in my life to generations after me.

3. How do you want to be remembered?

I want to be remembered as a person of positive influence.

4. What do you think of organized religion?

I think religion and prayer are important. No matter what religion it may be, prayer, especially in a congregation, consists of energy that can be influential to the outcome of today's world, as we know it to be. Hopefully the prayers are positive and for the better of mankind. Prayer can change the world and make it a more humane and peaceful place. Change can happen much faster if people unite peacefully, and religion and prayer can... and I stress "CAN" be a place for that.

5. If you were a tree, what would you be? Why?

An apple tree, because I'd like to be able to feed the people my fruit of knowledge and experience.

6. What is your philosophy in life?

To live it.

7. The movie that made you cry?

Land Before Time.

8. If you have wings, where would you go?

I'd go to the US and visit my parents and my sisters regularly.

9. What makes you angry?

People with too much prejudices and pride anger me. I'd like everyone to live with love in mind.

10. What do you like most about your work? What don't you like about it?

I am able to fulfill my childhood dream of being a performer. What I don't like most about it, is when it becomes like work.

11. What supernatural gift would you like to have?

The ability to freeze time.

12. Historical figures living or dead that you despise?

George Bush Jr.

13. What is your favorite flower? Why?

The rose, because until today it remains a symbol of love.

14. What do you value most in friends?

I value sincerity, loyalty and not being judgmental.

15. Who is your favorite singer?

Michael Jackson.

16. The best place on earth? Why?

The stage. It's where I am most at home.

17. What is your greatest fear?

Fear itself.

18. If you can compete one on one with any single athlete, who would it be?

Tiger Woods. Why? I'd probably learn a lot from his mistakes.

19. If you were a fictional character, who would you be? Why?

Mickey Mouse. Because he lives in Disneyland!

20. If you were to confess only one sin to God, what would it be?

That I've lied.

21. Why do roses have thorns?

Because you have to be careful with love and beautiful things.

22. How would you describe your state of mind?

It's an open book.

23. What color describes your life? Why?

Green. Because of Kermit the Frog.

24. If you were a song, what would you be? Why?

Man In The Mirror.

25. What song will you not sing?

I won't ever NOT sing. Unless the song is meant to harm someone.

LOVED.
